TechJI Introduction

# TechJI Introduction

---

# Who are we?

- Fans of Computer Science (but not focs)
- Host tech related workshop like linux install party, git, bash, reflow ...

机械键盘  
DIY

Reflow  
Create your own  
electrical cat

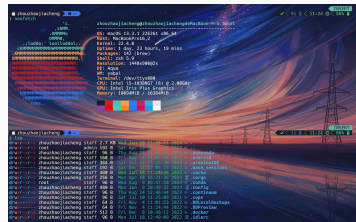

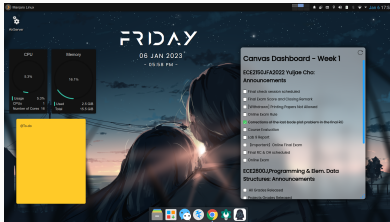

Git  
"Handle everything  
with speed and  
efficiency"

Bash  
An SH-Compatible  
Shell

# Who are we?

- Conduct a bunch of open source project development like course selection community, dancing party software, canvas helper...
- Post online tutorial like terminal beautify...
